Join our small-group tour beginning in Quito—capitol city of Ecuador for three nights. We have included two tours of the area. A local guided colonial cultural tour will be on Day 2. Experience panoramic views of Quito city and the surrounding volcanoes. Our next day we will travel 45 minutes to the “Middle of the World” and learn about the importance of its location to the equator and its effect on gravity. Breakfast and lunch is included.

The Coral I and II yachts are twin ships constructed of teakwood and modern decorations to give its guests an extraordinary tour in the Galapagos. Built for 20 passengers, the yachts both provide a surprising amount of privacy and chance for relaxation. Both yachts boast expansive observation decks for viewing the surrounding Galapagos, fully stocked bars, picturesque windows, comfortable lounges, dining rooms and meeting areas with TV and VCR. Also, 2 Naturalist Guides are provided for excursions that have a wealth of knowledge to share with you.
